

DO YOU NEED BARN CATS TO CONTROL MOUSE & SNAKE ISSUES IN YOUR BARN & AROUND YOUR FARM?

WE ARE CURRENTLY RESCUING CATS FROM RESTAURANTS & MOTELS
AND WE ARE LOOKING FOR BETTER HOMES FOR THEM TO KEEP THEM
FROM BEING KILLED ON THE HIGHWAYS OR STARVING TO DEATH.

VARIOUS CITIZENS & RESCUE GROUPS HAVE BEEN TRYING TO FEED
THEM SO THEY ARE ACCUSTOMED TO EATING DRY CAT FOOD ONLY
WHICH IN NO WAY AFFECTS THEIR FANTASTIC HUNTING SKILLS AND
WOULD PROVE TO KEEP THEM LOYAL TO YOU. ALL OF THE CATS HAVE
BEEN TAKEN IN TO BE SPAYED, NEUTERED AND GIVEN A RABIES
SHOT. WE WILL PROVIDE THE FIRST BAG OF FOOD AND THERE IS NO
ADOPTION FEE INVOLVED. WE JUST NEED TO FIND NEW HOMES FOR
THESE KITTENS & CATS BEFORE TRAGEDY STRIKES THEM. MOST OF
THEM ARE BEING FOUND DIRECTLY OFF OF MAJOR HIGHWAYS.
